Western Fair "All Breeds Show" - March 25-27th

Looking for volunteers for the Western Fair

From March 25-27th the club will again be a part of the "Equine All Breeds Show". We will be needing people to help promote our club at this event. One idea I had was to make new information boards. I was hoping to do a "Then and Now" board so if anyone has old pictures that I can have I would really appreciate it. If anyone has any other suggestions please let us know!

Annual General Meeting

The date is yet TBA but as it draws closer if you have anything you would like added to the agenda please let us know. This is an opportunity to brain storm as a group to make our club better. Please remember that you **MUST** be a paid member of the club to be in attendance. Payment will be taken at the meeting.

REACH

We currently have the first show date set up with REACH. It is planned for Sunday May 15th. This show will run actually like our Dorchester shows with the exception of stall fees if you require one. More information will follow as well as we will discuss at the AGM.
