Adriaan Brand-President

Jen Bigras - Treasurer

Directors: Helen Turner/Esther Lievre/Jill Kish/Rachel Straus/Lori Tomlinson/Michaela Lievre/Vicki Bruinsma

Junior Directors: Martina Lievre/Kate Bigras/Vanessa Buechert/Emily VanBokel

Thank you to all our sponsors support, club members' support, and our season of judges. You made 2015 a fantastic show season!

Our show is successfully behind us and now we can start to reflect, think and plan for next year. What were your highlights? Did you feel enough information was given to you? Should the setup be different? Where would you like to see changes or improvements? For example; some ideas that have been brought to my attention are Championship ribbons and a designated area decorated for winners to have pictures taken. All your ideas are valued and appreciated!

---

### VACCINES

#### Strangles

Strangles is a highly contagious and serious infection in horses. Horses develop strangles within 3–14 days of exposure. Symptoms start with depression, high fever and a loss of appetite. It evolves into areas of severe inflammation in the neck and head, excessive swelling and often ruptures the lymph nodes, which produces a thick, creamy pus. The name “strangles” comes from the lymph nodes becoming hard and very painful, obstructing breathing. (AAEP guidelines suggest vaccinating semi-annually to annually)
